With rural India relatively less impacted due to Covid-19, record food-grain procurement by government agencies as well as better than expected Kharif crop in 2020, we expect the tractor industry will continue to outperform the larger automobile space in FY21. The company has also reported a strong growth of 25.7% YoY in Q3FY21 which is expected to continue into the fourth quarter driven by strong demand.

Share prices have corrected significantly as most of the theaters are operating at very low capacity utilization due to the lack of major releases due to the Covid-19 crisis. However, with a significant decrease in Covid-19 cases over the past few months we believe that it's a matter of time before we see new releases by production houses post April 2021 which should lead to significant increase in business for the companies.
