Sebi eases listing norms for startups; alters regulations on delisting

The Securities and Exchange Board of India (Sebi) on Thursday eased eligibility and listing criteria on the so-called Innovators Growth Platform (IGP), separate exchanae venue for new-aae startups. At present, for a company to be able to list on IGP its 25 per cent pre-issue capital needs to be held for at least two years by an institutional investor and other large investors. Sebi has eased this requirement to just one year. Also, up to 25 per cent of pre-issue shareholding of 'accredited investors' -an individual investor with net worth of Rs 5 crore—will allowed for the above eligibility criteria. Earlier, a maximum of 10 per cent of pre-issue holding of accredited investors' was considered for the 25 per cent pre-issue eligibility requirement.

Sebi also allowed companies with superior voting rights to list on IGP. Further, the open offer trigger for companies listed on this platform has been eased from 26 per cent to 49 per cent. Sebi has also made it easy for company to delist or to migrate to the main board—which is the NSE or BSE.

Meanwhile, the Sebi board has also tweaked the delisting regulations. Going ahead, promoters will have to disclose their intentions to delist. Also, independent directors will have to guide the minority shareholders of a delisting-bound company by providing a reasoned recommendation on the delisting proposal. Further, Sebi has made various timelines associated with delisting more efficient.

Sebi has also provided some relaxation with regard to reclassification of promoter shareholding. Promoters with less than 1 per cent shareholding and no 'control' will not be required to see shareholders' nod for reclassification to ordinary shareholders. Also, the Time gap between the date of board meeting and shareholders meeting has been reduced to make the process more efficient.
