volume to the market.

To promote the continued growth of the Indian stock market, by 2024, more than 40% of the trading funds in the Indian stock market will come from foreign investors.

**Investment style expertise**

Pursuing short-term returns, I have maintained a daily increase of over 10% in stock profits for three consecutive months.

Investing in initial public offering (IPO) stocks and enjoying participating in low-risk IPO applications for rights issues.

Good evening, everyone. I am Kabir Khanna.

I am from AngelOne Securities, currently serving as the Chief Investment Officer, mainly responsible for international strategic investment planning. On September 16, I will represent India to participate in the (International Stock Return Competition) jointly organized by 10 countries.

Regarding India's international influence, it is related to the honor of every Indian investor. I will do my best to accompany you and provide trading advice for at least one year in the future.

Angel One Ltd. operates as a financial services company. It engages in the full-service retail broking house. The firm also offers broking and advisory services, margin funding, loans against shares, and financial products distribution. It operates through the following segments: Broking and Related Services, Finance and Investing Activities and Health and Allied Fitness Activities. The Broking and Related Services segment comprises broking, advisory, product distribution, margin trading facility and other fee based services. The Finance and Investing Activities include financing and investment income. The Health and Allied Fitness Activities segment focuses in the fitness center operations. The company was founded on August 8, 1996 and is headquartered in Mumbai, India.

The group was created by Angel One and is currently working on an investment programme. Our investment programme will start next week.

We will notify the group in advance before starting investment. Please pin it to the top of the group chat and wait for notification in the group.

1. Discussion of sensitive and illegal topics such as political content is prohibited in the group to create a good green communication environment.
2. Real-time commentary and sharing of important intraday news in the group intraday review and free

price is 10, then you can choose to use block trading to ship a large amount of goods. We can discount it by about 10%-30% for everyone to buy. Your purchase price is 9. No matter how the trend is the next day, you will immediately stop profit and leave the market! Therefore, there will be no loss, you just need to know how much profit you will make.

Angel One Ltd. is a financial services company. It operates as a full-service retail brokerage firm. The company also provides brokerage and advisory services, margin financing, stock lending, and distribution of financial products. It operates through the following segments: Brokerage and Related Services, Financial and Investment Activities, and Health and Allied Fitness Activities. The Brokerage and Related Services segment includes brokerage, advisory, product distribution, margin trading facilities and other fee-based services. Financing and investing activities include financing and investment income. The Health and Allied Fitness Activities segment focuses on fitness center operations. The company was established on August 8, 1996 and is headquartered... [Read more](#)

**BlackRock Investment...**

only admins can send messages

Tomorrow the teacher and our research teams from BlackRock and Angel One will go out for research again. The schedule is quite full. If there are any trading opportunities in the future we will announce the operation notice. Let us look forward to it!

All trading this week is profitable congratulations to all the friends who followed up! There will be no trading for three days starting tomorrow. Everyone should take more rest. On behalf of BlackRock and Angel One, I wish everyone a happy holiday in advance!

Since the trading quota is limited if you still want to participate please contact me as soon as possible to get the registration form and open an account!

9:32 pm

## BlackRock Investment A...

Hello, students! Welcome to join the Indian learning community founded by BlackRock Capital. I am the assistant of this group. You can call me Melissa

This group is a stock pull up group co-founded by BlackRock Capital and Angel Broking In order to maintain our environment emphasize the group rules:

1.This group is a stock exchange group. If you don't trade stocks please leave by yourself.

2.Advertising and negative energy content are strictly prohibited.

3.It is strictly forbidden to add people maliciously and immediately kick them out of the group if they are found.

4.If you find that the person who sent the advertisement please report it in time and we will kick it out of the group.

5. In order to avoid disturbing others please keep quiet during trading hours. You can consult me for stock questions.

Welcome new friends 🎉🎉🎉

❌ This group is a free stock trading group

❌ This group shares intraday information every day

❌ This group prohibits all news that is not related to stocks

I hope all shareholders can communicate healthily 😊 and wish the stock market prosperity.

3:21 pm

This group was formed by Godfather Dhananjay Sinha  
Dhananjay Sinha's godfather graduated from Stanford University's Department of Finance 🏆

After years of investment experience, he formed his own trading philosophy  
Good at mid-line trend trading and swing operations 👍👍

I hope all my friends can win in the stock market with the help of Godfather Dhananjay Sinha 💰💰

I hope my friends will study hard and gain the godfather's investment techniques and experience.

If you have any questions, you can click on my avatar and add me on WhatsApp to find me. 😊

3:21 pm

I am Mr. Dhananjay Sinha's assistant. My name is Shruti Gupta. You can find me if you have any questions in the group. I will
